## TERMS AND CONDITIONS

### Fees

Once your booking has been confirmed you are liable for any balance of the Fee. This is payable not less than 8 weeks before the start date of the Cruise. If you are booking less than 8 weeks before the start date of the Cruise the total Fee is due.

### Cancellation

**By you** - If the Cruise is fully booked and we are able to fill your place we will refund the payments you have made. Please note that unfortunately we are not able to include Cancellation and Personal Accident Insurance in the Cruise Fee (see Insurances below).

**By us** – In the unlikely event that we need to cancel the Cruise our liability will be limited to refunding the monies you have paid.

### Insurances

The boats and dinghies we use for the Cruise are hired from Norfolk Broads boatyards who insure their craft to cover third party liability. The Venturers Cruise is insured for injury for which it becomes legally liable. If you wish to insure in case you have to cancel your booking due to illness (or other insurable risks leading to cancellation) or insure for injury due to a personal accident we suggest you seek a UK only holiday insurance. Many such policies will be found on-line. We suggest you ensure that any insurer you are considering will cover for sailing on inland waters; most do not exclude this activity.

### Understanding of Risk

It must be recognised that boating is by its nature an unpredictable sport/activity and therefore inherently involves an element of risk, including risk of personal injury and death. Venturers Norfolk Broads Cruise is a boating activity holiday. The participant will be exposed to the risks inherent to boating activities on inland waters, living on board a yacht and taking part in 'on the water' yacht and dinghy based activities. By taking part, you agree and acknowledge that:

- You are aware of the inherent element of risk involved in the sport and you accept responsibility exposing the participant to such inherent risk whilst they take part;
- The participant will comply at all times with the guidance and instruction of the Officers of Venturers, particularly with regard to their behaviour, handling of boats, wearing of buoyancy aids and the wearing of suitable clothing for the conditions;
- The participant will take due cognisance of any specific risks that may be drawn to their attention by any Officer of Venturers.

Please contact us at [info@venturers.org.uk](mailto:info@venturers.org.uk) should you wish to understand or discuss our assessment and management of risk any further.

### Data Protection

The information given by you on this form will be used by us to process your booking, for sending you further information about Venturers you have booked for, and if we need to contact you during the Cruise week. We will also include your name and address on our mailing list and continue to contact you regarding future Venturers activities. You may cancel this permission at any time by emailing or writing to us asking to remove your contact details. For further details, our Personal Information Statement can be found here: <http://venturers.org.uk/privacy.html> linking to our Privacy Notice.
